

What will New Hazelton look like in 2020?

The District of New Hazelton is drafting an Official Community Plan (OCP) to guide the municipality in its decision making over the next decade. The 2010 OCP is seeking the input of residents and proprietors from New Hazelton to generate the best possible plan as we head towards to 2020.

Council and staff of the District will be hosting public forums to discuss the OCP process and ask for community input into our plan. As well, Council wishes to extend the opportunity to provide input into our plan via the internet and a questionnaire on the backside of this page.
